

The Kids Kloset – A New Chapter in Downtown Sabetha

Dear Editor,

The Kids Kloset is thrilled to share some exciting news with our community — we are in the process of **purchasing the historic building at 118 North Washington in downtown Sabetha!**

For years, The Kids Kloset has served children and families within USD 113 by providing clothing, shoes, and essential items to those in need. What began as a small, volunteer-led effort has grown beyond what our current space can accommodate. The opportunity to purchase and restore this historic downtown building will allow us to expand our services, improve organization and accessibility, and create a more welcoming environment for families who rely on our support.

Renovating this building will also help preserve an important part of Sabetha's history — giving new life and purpose to a structure that has long been part of our downtown landscape.

We invite the community to join us in this exciting new chapter! You can make a difference during the **Give to Grow Match Days, November 19–21**, through the **Greater Sabetha Community Foundation**.

Walk-In Day will be **Friday, November 21**, from 7 AM to 4 PM at **The Main Event** in Sabetha.

Donations may also be **mailed to GSCF, PO Box 111, Sabetha, KS 66534** (postmarked by November 20 to count toward the match).

Or you can give online at **www.GiveToGrowDay.com** and designate your donation to **The Kids Kloset**.

Every dollar helps us move closer to making this vision a reality — expanding our reach and ensuring that every child in our community has access to the essentials they need to thrive.

We are deeply grateful for the ongoing generosity and encouragement of the Sabetha area. Together, we're not just growing — we're building hope for the future.

With gratitude,
The Kids Kloset Board and Volunteers
